

Swiss Association & Swiss Chamber of Commerce
Joint Monthly Luncheon –4th January, 2016 (Monday)

Guest Speaker: Mr Mark Matthews, Head of Research Asia for Bank Julius Baer & Co. Ltd.,

Financial Markets Global Outlook 2016

Bank Julius Baer's experts expect 2016 to be a year of marked cyclical divergence between the developed and emerging markets, producing moderate global growth. As the US economy stabilizes, rate increases by the Fed is becoming a certainty. Emerging market assets may see a reversal of fortune after experiencing a roller coaster year in 2015, while the strength of the US dollar will come to an end. Is this the right time to seek out value? Please join Mr Mark Matthews, Head Research Asia at Bank Julius Baer, to explore and debate the outlook of the financial markets for 2016.

Mark has over 22 years of experience in finance and investment, he has held senior research and sales positions in various financial institutions, including ING Barings Securities, Standard & Poor's and Merrill Lynch. Currently based in Singapore, he has lived in Asia for most of his life, including in Hong Kong, Thailand, Taiwan and Sri Lanka. He is often quoted in the media and invited regularly by CNBC Asia and Bloomberg TV to appear on their programmes.
