

**Swiss Association & Swiss Chamber of Commerce
Joint Monthly Luncheon
6 November 2017 (Monday)**

**Guest Speaker: Mr. Derek Kwik
Managing Partner, BraveSoldier Ventures Capital**

500 trips to Shenzhen – Entrepreneur or Wantrepreneur

Hong Kong born venture capitalist, Derek Kwik, has one goal – to give back to the local community. He has found a way to weave his three unique passions: mentoring entrepreneurs, participating in youth education initiatives and animal welfare into his normal work week of investing in start-ups while juggling his new role as a father of twins. Given the frantic pace that is the norm of Hong Kong, Derek will share his personal experiences of his highest highs and lowest lows from investing in entrepreneurs like Alibaba's Jack Ma, to building confidence in our youth by writing a children's book, to running across the Amazon jungle for the benefit of animal welfare while managing hamburger feet

ABOUT THE GUEST SPEAKER

Hong Kong born, Derek Kwik, is an investment professional with 25+ years of experience building and investing in TMT projects across the Asia-Pacific region. Derek is an extreme multi-day ultra-marathoner who has logged over 8,000 km in training and international competitions. Derek is an early "returnee" to Asia and is one of the most respected technology community leaders and involved with nearly every accelerator/incubator/co-working space in HK. Since 1999, Derek has reviewed 15,000+ business plans and pitches beginning with first generation internet companies. Since 2004, Derek is the Managing Partner of BraveSoldier Venture Capital, a technology venture capital fund (www.derekkwik.com). Derek was the CEO of a Chinese contactless mobile payments company and credited for "leading from the front" from seed round to commercial responsibilities to investor exit. He has recorded over 500 "day trips" to Shenzhen, Dongguan and Guangzhou, Derek has supervised manufacturing operations in telecoms, robotics, wearables and pc peripherals. Derek is an author of two books, university guest lecturer, TEDx speaker, Trustee and Co-Chairman of the Society For The Prevention Of Cruelty To Animals (SPCA), Advisory Council member of Junior Achievement and a popular mentor/advisor to several start-ups.
