February 2022

Bruno Grangier, Founding Partner of Leaf, listed as China's Elite 100 Lawyers from China Business Law Journal

China Business Law Journal has selected a list of China's Elite 100 Lawyers, including Bruno Grangier, Senior Partner at Leaf.

"Very honored to see my name in the list of China's Elite 100 Lawyers by China Business Law Journal. It confirms once again Leaf's team extensive expertise in the dynamic Chinese legal environment and cross-border transactions." said Bruno Grangier.

The A-List is based on extensive research conducted by China Business Law Journal. To identify the elite lawyers for the Chinese market, the journal turned to thousands of in-house counsels in China and around the world, as well as partners at Chinese and international law firms, and asked them which lawyers should make the cut.
