

## INVITATION

### *Exploration Trip to the Chengdu-Chongqing Economic Circle*

Dear Swiss Business Community in China,

Join us for an exciting exploration trip to the *Chengdu-Chongqing Economic Circle*! It is your opportunity to learn about the economic and industrial development of the southwest of China, to meet with local government officials, to build connections with potential business partners, and to get first-hand experience with Swiss companies already in the region. With abundant natural resources, solid industrial foundation, and a vast talent pool, the dual city economic circle, as the fourth pillar region of China, presents numerous opportunities for Swiss businesses looking for new growth and expansions.
